## Section 2 - Financial Information

### Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On February 2, 2009 we received a notice of default, dated January 26, 2009, from the Iowa Department of Economic Development related to our Community Economic Betterment Account (CEBA) Royalty Agreement dated July 10, 2001, under which we received the sum of \$100,000 from IDED. That agreement calls for us to make royalty payments to IDED in the amount of one half percent of our prior year gross revenues on June 1st and December 1st of each year until such time as a total repayment of \$200,000 has been made.

The notice of default relates to unpaid royalties in the amount of \$11,250.30, and gives us until February 26, 2009 to cure the default. If the default is not cured within thirty days of the date of IDED's notice to us, IDED could require immediate repayment of the full amount due under the royalty agreement.

We are in discussions with IDED staff members regarding resolution of this matter.
