**Explanation of Responses:**

- The transaction reported herein reflects a repricing of options (the "Repricing") that was approved by Walker Innovation Inc. stockholders on January 17, 2017. The stock options were originally granted to the reporting person April 2, 2012. As a result of the Repricing, such options now have a lower exercise price; other than the reduced exercise price, there have been no changes in the terms of such options. However, under Section 16 of the Securities Exchange Act of 1934 and the rules thereunder, a reduction in the exercise price of any option is treated as effectively canceling the old option and granting a new option as of the effective date of the repricing, and thus is being reported accordingly in this Form 4.
- These options vested on September 26, 2012 and are exercisable at any time through the Expiration Date.
