

**Item 8.01 Other Events/Information**

Northstar Electronics, Inc. ("Company") is currently working on a potential arrangement with a subsidiary of an European aerospace company to assemble, co-manufacture and market a single engine turbo-prop airplane for commercial applications. To support these endeavours, the Company is attempting to raise funds through a private placement.

Management at the Company is working to bring its US SEC filings up to date.

**SIGNATURES**
