An Option may not be exercised with respect to fractional shares of Common Stock.

H.

PAYMENT. Unless otherwise provided by the Stock Option Agreement, payment of the exercise price for an Option shall be made in cash or a cash equivalent acceptable to the Committee or if the Common Stock is traded on an established securities market, by payment of the exercise price by a broker-dealer or by the Option holder with cash advanced by the broker-dealer if the exercise notice is accompanied by the Option holder's written irrevocable instructions to deliver the Common Stock acquired upon exercise of the Option to the broker-dealer or by delivery of the Common Stock to the broker-dealer with an irrevocable commitment by the broker-dealer to forward the exercise price to the Corporation. With the consent of the Committee, payment of all or a part of the exercise price of an Option may also be made (i) by surrender to the Corporation (or delivery to the Corporation of a properly executed form of attestation of ownership) of shares of Common Stock that have been held for such period prior to the date of exercise as is necessary to avoid adverse accounting treatment to the Corporation, or (ii) any other method acceptable to the Committee, including without limitation, the withholding of shares receivable upon settlement of the option in payment of the exercise price. If Common Stock is used to pay all or part of the exercise price, the sum of the cash or cash equivalent and the Fair Market Value (determined as of the date of exercise) of the shares surrendered must not be less than the Option price of the shares for which the Option is being exercised.

I.

STOCKHOLDER RIGHTS. No Participant shall have any rights as a stockholder with respect to shares subject to an Option until the date of exercise of such Option and the certificate for shares of Common Stock to be received on exercise of such Option has been issued by the Corporation.

J.

DISPOSITION AND STOCK CERTIFICATE LEGENDS FOR INCENTIVE STOCK OPTION SHARES. A Participant shall notify the Corporation of any sale or other disposition of Common Stock acquired pursuant to an Incentive Stock Option if such sale or disposition occurs (i) within two (2) years of the grant of an Option or (ii) within one (1) year of the issuance of the Common Stock to the Participant. Such notice shall be in writing and directed to the Chief Financial Officer of the Corporation or in his/her absence, the Chief Executive Officer. The Corporation may require that certificates evidencing shares of Common Stock purchased upon the exercise of Incentive Stock Option issued under this Plan be endorsed with a legend in substantially the following form:

THE SHARES EVIDENCED BY THIS CERTIFICATE MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF A WRITTEN STATEMENT FROM THE CORPORATION TO THE EFFECT THAT THE CORPORATION IS AWARE OF THE FACTS OF SUCH SALE OR TRANSFER.

The blank contained in this legend shall be filled in with the date that is the later of (i) one (1) year and one (1) day after the date of the exercise of such Incentive Stock Option or (ii) two (2) years and one (1) day after the grant of such Incentive Stock Option.

K.

NO REPRICING. In no event shall the Committee permit a Repricing of any Option without the approval of the stockholders of the Corporation.

7.

STOCK AWARDS.

A.

STOCK BONUS AWARDS. Each Stock Award Agreement for a Stock Bonus Award shall be in such form and shall contain such terms and conditions (including provisions relating to consideration, vesting, reacquisition of shares

following termination, and transferability of shares) as the Committee shall deem appropriate. The terms and conditions of Stock Award Agreements for Stock Bonus Awards may change from time to time, and the terms and conditions of separate Stock Bonus Awards need not be identical.

B.

RESTRICTED STOCK AWARDS. Each Stock Award Agreement for a Restricted Stock Award shall be in such form and shall contain such terms and conditions (including provisions relating to purchase price, consideration, vesting, reacquisition of shares following termination, and transferability of shares) as the Committee shall deem appropriate. The terms and conditions of the Stock Award Agreements for Restricted Stock Awards may change from time to time, and the terms and conditions of separate Restricted Stock Awards need not be identical. Vesting of any grant of Restricted Stock Awards

may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 8 of this Plan regarding Performance Shares.

C.

STOCK APPRECIATION RIGHTS. Each Stock Award Agreement for Stock Appreciation Rights shall be in such form and shall contain such terms and conditions (including provisions relating to vesting, reacquisition of shares following termination, and transferability of shares) as the Committee shall deem appropriate. The terms and conditions of Stock Appreciation Rights may change from time to time, and the terms and conditions of separate Stock Appreciation Rights need not be identical. No Stock Appreciation Right shall be exercisable after the expiration of seven (7) years from the date such Stock Appreciation Right is granted. The base price per share for each share of Common Stock covered by an Award of Stock Appreciation Rights shall not be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant. In no event shall the Committee permit a Repr_cing of any Stock Appreciation Right without the approval of the stockholders of the Corporation.

D.

DEFERRED SHARES. The Committee may authorize grants of Deferred Shares to Participants upon such terms and conditions as the Committee may determine in accordance with the following provisions:

(i)

Each grant shall constitute the agreement by the Corporation to issue or transfer shares of Common Stock to the Participant in the future in consideration of the performance of services, subject to the fulfillment during the Deferral Period of such conditions as the Committee may specify.

(ii) Each grant may be made without additional consideration from the Participant or in consideration of a payment by the Participant that is less than the Fair Market Value on the date of grant.

(iii) Each grant shall provide that the Deferred Shares covered thereby shall be subject to a Deferral Period, which shall be fixed by the Committee on the date of grant, and any grant or sale may provide for the earlier termination of such period in the event of a change in control of the Corporation or other similar transaction or event.

(iv) During the Deferral Period, the Participant shall not have any right to transfer any rights under the subject Award, shall not have any rights of ownership in the Deferred Shares and shall not have any right to vote such shares, but the Committee may on or after the date of grant, authorize the payment of dividend or other distribution equivalents on such shares in cash or additional shares on a current, deferred or contingent basis.

(v)

Any grant of the vesting thereof may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 8 of this Plan regarding Performance Shares.

(vi)

Each grant shall be evidenced by an agreement delivered to and accepted by the Participant and containing such terms and provisions as the Committee may determine consistent with this Plan.

8.

PERFORMANCE SHARES

A.

The Committee may authorize grants of Performance Shares, which shall become payable to the Participant upon the achievement of specified Performance Objectives, upon such terms and conditions as the Committee may determine in accordance with the following provisions:

(i)

Each grant shall specify the number of Performance Shares to which it pertains, which may be subject to

adjustment to reflect changes in compensation or other factors.

(ii)

The Performance Period with respect to each Performance Share shall commence on the date established by the Committee and may be subject to earlier termination in the event of a change in control of the Corporation or similar transaction or event.

(iii) Each grant shall specify the Performance Objectives that are to be achieved by the Participant.

(iv)

Each grant may specify in respect of the specified Performance Objectives a minimum acceptable level of achievement below which no payment will be made and may set forth a formula for determining the amount of any payment to be made if performance is at or above such minimum acceptable level but falls short of the maximum achievement of the specified Performance Objectives.

(v)

Each grant shall specify the time and manner of payment of Performance Shares that shall have been earned, and any grant may specify that any such amount may be paid by the Corporation in cash, shares of Common Stock or any combination thereof and may either grant to the Participant or reserve to the Committee the right to elect among those alternatives.

(vi)

Any grant of Performance Shares may specify that the amount payable with respect thereto may not exceed a maximum specified by the Committee on the date of grant.

(vii) Any grant of Performance Shares may provide for the payment to the Participant of dividend or other distribution equivalents thereon in cash or additional shares of Common Stock on a current, deferred or contingent basis.

(viii)

If provided in the terms of the grant and subject to the requirements of Section 162(m) of the Code (in the case of Awards intended to qualify for exception therefrom), the Committee may adjust Performance Objectives and the related minimum acceptable level of achievement if, in the sole judgment of the Committee, events or transactions have occurred after the date of grant that are unrelated to the performance of the Participant and result in distortion of the Performance Objectives or the related minimum acceptable level of achievement.

(ix)

Each grant shall be evidenced by an agreement that shall be delivered to and accepted by the Participant, which shall state that the Performance Shares are subject to all of the terms and conditions of this Plan and such other terms and provisions as the Committee may determine consistent with this Plan.

9.

CHANGES IN CAPITAL STRUCTURE.

A.

NO LIMITATIONS OF RIGHTS. The existence of outstanding Awards shall not affect in any way the right or power of the Corporation or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Corporation's capital structure or its business, or any merger or consolidation of the Corporation, or any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock or the rights thereof, or the dissolution or liquidation of the Corporation, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

B.

CHANGES IN CAPITALIZATION. If the Corporation shall effect a subdivision or consolidation of shares or other capital readjustment, the payment of a stock dividend, or other increase or reduction of the number of shares of the Common Stock outstanding, without receiving consideration therefore in money, services or property, then (i) the number, class, and per share price of shares of Common Stock subject to outstanding Options and other Awards hereunder and (ii) the number and class of shares then reserved for issuance under this Plan and the maximum number of shares for which Awards may be granted to a Participant during a specified time period shall be appropriately and proportionately adjusted. The conversion of convertible securities of the Corporation shall not be treated as effected "without receiving consideration." The Committee shall make such adjustments, and its determinations shall be final, binding and conclusive.

C.

MERGER, CONSOLIDATION OR ASSET SALE. If the Corporation is merged or consolidated with another entity or sells or otherwise disposes of substantially all of its assets to another company while Options or Stock Awards remain outstanding under this Plan, unless provisions are made in connection with such transaction for the continuance of this Plan and/or the assumption or substitution of such Options or Stock Awards with new options or stock awards covering the stock of the successor company, or parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices, then all outstanding Options and Stock Awards which have not been continued, assumed or for which a substituted award has not been granted shall, whether or not vested or then exercisable, unless

otherwise specified in the Stock Option Agreement, Performance Agreement, Stock Award Agreement, or any other agreement executed and delivered by the Company, which references the terms of this Plan, or employment agreement, if and as applicable, and, terminate immediately as of the effective date of any such merger, consolidation or sale.

D.

LIMITATION ON ADJUSTMENT. Except as previously expressly provided, neither the issuance by the Corporation of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Corporation convertible into such shares or other securities, nor the increase or decrease of the number of authorized shares of stock, nor the addition or deletion of classes of stock, shall affect, and no adjustment by reason thereof shall be made with respect to, the number, class or price of shares of Common Stock then subject to outstanding Options or Stock Awards.

10.

CHANGE IN CONTROL

A.

GENERALLY. In the event of a Change in Control, notwithstanding any other provision of the Plan to the contrary, the Committee may, in its discretion, take any of the following actions:

(i) provide that any Options and Stock Appreciation Rights outstanding which are not then exercisable and vested shall become immediately vested and fully exercisable;

(ii) immediately lapse restrictions and deferral limitations applicable to any Restricted Stock, Restricted Stock Unit and other Awards and such Restricted Stock shall become free of all restrictions, fully vested and transferable and Restricted Stock Units and other Awards shall be settled as promptly as practicable in the form set forth in the applicable Award Agreement;

(iii) provide that Performance Targets applicable to Performance Share Units and other Awards shall be deemed to be satisfied and such Awards shall be considered to be earned and payable in full, and any deferral or other restriction shall lapse and such Restricted Stock Units and other Awards shall be settled as promptly as is practicable in the form set forth in the applicable Award Agreement; and

(iv) make such additional adjustments, substitutions and/or settlements of outstanding Awards as it deems appropriate to protect Participants' interests in their Awards, consistent with the Plan's purposes, including, without limitation, the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion.

B. TERMINATION OF EMPLOYMENT FOLLOWING CHANGE IN CONTROL. To the extent not otherwise vested by the Committee in accordance with the provisions of this Section 10 and notwithstanding any other provision of this Plan to the contrary, during the 24-month period following a Change in Control:

(i) upon the involuntary termination of a Participant's employment other than termination for Cause; (ii) upon the voluntary termination of employment by the Participant following a material and adverse change in the Participant's compensation, responsibilities, functions or reporting relationship; or (iii) in the event a Participant resigns rather than accept a mandatory relocation greater than 50 miles; then, in any such event, all outstanding Awards held by such Participant shall become vested as of the Date of Termination. Any Option or Stock Appreciation Right held by the Participant as of the date of the Change in Control that remains outstanding as of the date of Termination of Employment may thereafter be exercised, until the earlier of (i) the third anniversary of the date of termination; or

(ii) the expiration of the Term of such Option. Restricted Shares shall immediately be free and transferable and Restricted Share Units, Performance Share Units and other Awards shall be vested as of the Termination of Employment and settled as soon as practicable as specified in the Award Agreement.

C.

DEFINITION OF CHANGE IN CONTROL. For purposes of the Plan, a "Change in Control" shall mean any of the following events:

(i) The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (a "Person")) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 15% or more of the then-outstanding Shares of Common Stock plus any other outstanding shares of stock of the Corporation entitled to vote in the election of directors (the "Outstanding Corporation Voting Securities"); provided, however, that the Corporation and any employee benefit plan (or related trust) sponsored by it shall not be deemed to be a Person; or

(ii) A change in the composition of the Board such that the individuals who constitute the Board (the "Incumbent Board") cease for any reason to constitute at least a majority of the Board. For this purpose, any individual whose election or nomination for election by the Corporation's shareholders was approved by a vote of at least two-thirds of the directors then comprising the Incumbent Board shall be considered a member of the Incumbent Board; or

(iii) The consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the Corporation or any of its subsidiaries or a sale or other disposition of substantially all of the assets of the Corporation or a material acquisition of assets or stock of another entity by the Corporation or any of its subsidiaries, (each, a "Business Combination") if:

A. the individuals and entities that were the beneficial owners of the Outstanding Corporation Voting Securities immediately prior to such Business Combination do not beneficially own, directly or indirectly, more than 50% of the then-outstanding shares of stock and the combined voting power of the then-outstanding voting securities of the corporation resulting from such Business Combination; or

B. a Person beneficially owns, directly or indirectly, 15% or more of the then-outstanding shares of stock of the corporation resulting from such Business Combination; or

C. members of the Incumbent Board do not comprise at least a majority of the members of the board of directors of the corporation resulting from such Business Combination; or

(iv) The approval by the shareholders of the Corporation of a complete liquidation or dissolution of the Corporation.

There shall be no forfeiture or repayment under this Section 10 following a Change in Control of any award not previously forfeited.

11.

WITHHOLDING OF TAXES.

The Corporation or an Affiliate shall have the right, before any certificate for any Common Stock is delivered, to deduct or withhold from any payment owed to a Participant any amount that is necessary in order to satisfy any withholding requirement that the Corporation or Affiliate in good faith believes is imposed upon it in connection with U.S. federal, state, or local taxes, including transfer taxes, as a result of the issuance of, or lapse of restrictions on, such Common Stock, or otherwise require such Participant to make provision for payment of any such withholding amount. Subject to such conditions as may be established by the Committee, the Committee may permit a Participant to (i) have Common Stock otherwise issuable under an Option or Stock Award withheld to the extent necessary to comply with minimum statutory withholding rate requirements, (ii) tender back to the Corporation shares of Common Stock received pursuant to an Option or Stock Award to the extent necessary to comply with minimum statutory withholding rate requirements for supplemental income, (iii) deliver to the Corporation previously acquired Common Stock, (iv) have funds withheld from payments of wages, salary or other cash compensation due the Participant, (v) pay the Corporation or its Affiliate in cash, in order to satisfy part or all of the obligations for any taxes required to be withheld or otherwise deducted and paid by the Corporation or its Affiliate with respect to the Option or Stock Award; or (vi) establish a 10b5-1 trading plan for withheld stock designed to facilitate the sale of stock in connection with the vesting of such shares, the proceeds of which shall be utilized to make all applicable withholding payments in a manner to be coordinated by the Corporation's Chief Financial Officer.

12.

COMPLIANCE WITH LAW AND APPROVAL OF REGULATORY BODIES.

A.

GENERAL REQUIREMENTS. No Option or Stock Award shall be exercisable, no Common Stock shall be issued, no certificates for shares of Common Stock shall be delivered, and no payment shall be made under this Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements), any listing agreement to which the Corporation is a party, and the rules of all domestic stock exchanges or quotation systems on which the Corporation's shares may be listed. The Corporation shall have the right to rely on an opinion of its counsel as to such compliance. Any share certificate issued to evidence Common Stock when a Stock Award is granted or for which an Option or Stock Award is exercised may bear such legends and statements as the Committee may deem advisable to assure compliance with federal and state laws and regulations. No Option or Stock Award shall be exercisable, no Stock Award shall be granted, no

Common Stock shall be issued, no certificate for shares shall be delivered, and no payment shall be made under this Plan until the Corporation has obtained such consent or approval as the Committee may deem advisable from regulatory bodies having jurisdiction over such matters.

B.

PARTICIPANT REPRESENTATIONS. The Committee may require that a Participant, as a condition to receipt or exercise of a particular award, execute and deliver to the Corporation a written statement, in form satisfactory to the Committee, in which the Participant represents and warrants that the shares are being acquired for such person's own account, for investment only and not with a view to the resale or distribution thereof. The Participant shall, at the request of the Committee, be required to represent and warrant in writing that any subsequent resale or distribution of shares of Common Stock by the Participant shall be made only pursuant to either (i) a registration statement on an appropriate form under the Securities Act of 1933, which registration statement has become effective and is current with regard to the shares being sold, or (ii) a specific exemption from the registration requirements of the Securities Act of 1933, but in claiming such exemption the Participant shall, prior to any offer of sale or sale of such shares, obtain a prior favorable written opinion of counsel, in form and substance satisfactory to counsel for the Corporation, as to the application of such exemption thereto.

13.

GENERAL PROVISIONS.

A.

EFFECT ON EMPLOYMENT AND SERVICE. Neither the adoption of this Plan, its operation, nor any documents describing or referring to this Plan (or any part thereof) shall,

(i) confer upon any individual any right to continue in the employ or service of the Corporation or an Affiliate, (ii) in any way affect any right and power of the Corporation or an Affiliate to change an individual's duties or terminate the employment or service of any individual at any time with or without assigning a reason therefor or (iii) except to the extent the Committee grants an Option or Stock Award to such individual, confer on any individual the right to participate in the benefits of this Plan.

B.

USE OF PROCEEDS. The proceeds received by the Corporation from the sale of Common Stock pursuant to this Plan shall be used for general corporate purposes.

C.

UNFUNDED PLAN. This Plan, insofar as it provides for grants, shall be unfunded, and the Corporation shall not be required to segregate any assets that may at any time be represented by grants under this Plan. Any liability of the Corporation to any person with respect to any grant under this Plan shall be based solely upon any contractual obligations that may be created pursuant to this Plan. No such obligation of the Corporation shall be deemed to be secured by any pledge of, or other encumbrance on, any property of the Corporation.

D.

RULES OF CONSTRUCTION. Headings are given to the Sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation, or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

E.

CHOICE OF LAW. This Plan and all Stock Option Agreements and Stock Award Agreements entered into under this Plan shall be interpreted under the Corporation Law excluding (to the greatest extent permissible by law) any rule of law that would cause the application of the laws of any jurisdiction other than the Corporation Law.

F.

FRACTIONAL SHARES. The Corporation shall not be required to issue fractional shares pursuant to this Plan. The Committee may provide for elimination of fractional shares or the settlement of such fraction shares in cash.

G.

FOREIGN EMPLOYEES. In order to facilitate the making of any grant or combination of grants under this Plan, the Committee may provide for such special terms for Awards to Participants who are foreign nationals, or who are employed by the Corporation or any Affiliate outside of the United States, as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Committee may approve such supplements to, or amendments, restatements or alternative versions of, this Plan, as it may consider necessary or

appropriate for such purposes without thereby affecting the terms of this Plan, as then in effect, unless this Plan could have been amended to eliminate such inconsistency without further approval by the stockholders of the Corporation.

14.AMENDMENT AND TERMINATION.

The Board may amend or terminate this Plan from time to time; provided, however, stockholder approval shall be required for any amendment that

(i) increases the aggregate number of shares of Common Stock that may be issued under this Plan, except as contemplated by Section 5.A or Section 9.B;

(ii) changes the class of employees eligible to receive Incentive Stock Options;

(iii) modifies the restrictions on Repricings set forth in this Plan; or

(iv) is required by the terms of any applicable law, regulation or rule, including the rules of any market on which the Corporation shares are traded or exchange on which the Corporation shares are listed. Except as specifically permitted by this Plan, Stock Option Agreement or Stock Award Agreement or as required to comply with applicable law, regulation or rule, no amendment shall, without a Participant's consent, adversely affect any rights of such Participant under any Option or Stock Award outstanding at the time such amendment is made; provided, however, that an amendment that may cause an Incentive Stock Option to become a Nonqualified Stock Option shall not be treated as adversely affecting the rights of the Participant. Any amendment requiring stockholder approval shall be approved by the stockholders of the Corporation within twelve (12) months of the date such amendment is adopted by the Board.

15.

EFFECTIVE DATE OF PLAN; DURATION OF PLAN.

A.

This Plan shall be effective upon adoption by the Board, subject to approval within twelve (12) months by the stockholders of the Corporation. In the event that the stockholders of the Corporation shall not approve this Plan within such twelve (12) month period, this Plan shall terminate. Unless and until the Plan has been approved by the stockholders of the Corporation, no Option or Stock Award may be exercised, and no shares of Common Stock may be issued under the Plan. In the event that the stockholders of the Corporation shall not approve the Plan within such twelve (12) month period, the Plan and any previously granted Options or Stock Awards shall terminate.

B.

Unless previously terminated, this Plan will terminate ten (10) years after the earlier of (i) the date this Plan is adopted by the Board, or (ii) the date this Plan is approved by the stockholders, except that Awards that are granted under this Plan prior to its termination will continue to be

administered under the terms of this Plan until the Awards terminate or are exercised.

IN WITNESS WHEREOF, the Corporation has caused this Plan to be executed by a duly authorized officer as of the date of adoption of this Plan by the Board of Directors.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

I have examined the Registration Statement on Form S-8 (the "Registration Statement") to be filed by Aussie Soles Group, Inc. (the "Company") with the Securities and Exchange Commission (the "Commission") on or about November 6, 2008 in connection with the registration under the Securities Act of 1933, as amended, of 7,500,000 shares of the Company's common stock, \$0.001 par value, (the "Common Stock") reserved for issuance under the 2008 Long-Term Stock Incentive Plan (the "Plan").

As the Company's counsel in connection with the preparation and filing of the Registration Statement, I have examined the proceedings taken by the Company in connection with the authorization of the sale and issuance of the shares of Common Stock under the Plan (the "Shares").

Based upon the foregoing, and having regard for such legal considerations as I deem relevant, it is my opinion that the Shares, when issued and sold in the manner described in the Registration Statement, will be legally issued, fully paid and nonassessable shares of Common Stock.

I express no opinion as to matters governed by any laws other than the laws of the State of Nevada which are in effect as of the date hereof.

I consent to the use of this opinion as an exhibit to the Registration Statement and to the use of my name in the Registration Statement under the section entitled "Interests of Named Experts and Counsel."

Very truly yours,
/s/ Joel Pensley
